From: MLCCC's DATE NIGHT 09 – 24 – 2022

Wow .. "Thanks to all of you who chose to participate and support MLCCC's 2022 Summer of planned activities". For this one we teamed up with **Central Basin Community Concert Association** to help set the "50's Mood and fan fare preceding their first of four annual season concerts in the newly remodeled **WALLENSTIEN THEATER** located on Big Bend College Campus . Ya'll supported our **"MLCCC DATE NIGHT"** with twelve (12) of your fine classic cars and pickups / "Classy Dates" / even some dressed in period outfits / totaling twenty six (26) . **"Good Job Guys and Gals"** (Chivalry Still works, UH ?)

I do believe I may have even caught a few of you holding hands during the concert – you know who you are ? (I've got you on camera – Please don't make me prove it ?) **"Ain't Love Grand ?"**

Our **"CARS IN REVIEW" DISPLAYED IN RESERVED STAGING AREA** of the parking lot, was enjoyed by pre-concert ticket holders and we enjoyed their comments / questions and appreciation of days gone by that we enjoy preserving for this very purpose **"SHOW & SHINE"** . It makes my day to watch their eyes relive in memory, their long ago day of life gone by . Their smiles and stories are always a blessing, if we just give them respect and listen, **"THANKING THEM"** for their remarks of appreciation of our classics . To me it's about them as we provide our **"PRODUCT"** of sharing our love for automobiles while we enjoy interacting within our community events .

NEXT : This is what we all came for : **THE EVERLY BROS. TRIBUTE CONCERT** . Live on stage. **"YEP" :** we helped them **"WAKE UP LITTLE SUZIE" / LEARNED THE BROTHER'S BACKGROUND HISTORY!** Recalled famous songs / writers / trials and struggles / their reunion . We all enjoyed personal flashbacks down memory lane and we heard them all from our inside reserved seating section. **"Yes"** Special CBCC Association's guests . It was indeed a wonderful evening weather wise and for us all . I'm also proud to say that we got our dates home safe and sound before the 10:00 pm curfew . **"GOOD JOB GUYS & GALS !** (never know when we may need some grace next time ?) (Remember ?) (I Know you do and probably used them ?)

"BIG KUDOS" to Brett Boehm & friend for watching our **CLASSICS** while we enjoyed the concert .

See how many **EVERLY BROTHERS** songs you can **HUM** through ? If you need help, Charlie bought their CD . (Maybe he'll loan it to you to memorize ?)

"Thanks for your interest / ongoing support in the life of MLCCC' present and future !"

Next Face to Face Meeting : Second Thursday - OCTOBER 13th, 2022 at BOB's Restaurant .
