*Greetings one & all as we begin the month of December 2023.*

For me it seemed very short, yet memorable in many ways. You reminisce through your journey, and we'll do the same. I'm convinced that, through it all, We at least learned a few things // got a little wiser in hind sight // Struggled at times // Cried // Smiled // Even enjoyed each mile. Whatever you do? Seal them up for recall to share later with Friends // Families // Club Mates, etc.
