

**MINUTES
MOSES LAKE CLASSIC CAR CLUB
GENERAL MEETING
JANUARY 9, 2020**

(31 in attendance)

Due to requests by a few devoted Gonzaga fans who were looking forward to watching the basketball game, Club President Don Haack called the meeting to order several minutes early at 6:52 p.m.

Welcome & Pledge of Allegiance

SECRETARY'S REPORT:

The December 2019 Minutes/Newsletter can be seen on the MLCCC website. Paper copies were handed out to those without internet access before the start of the meeting. A Motion to accept December's minutes was seconded and approved.

TREASURER'S REPORT (BOB KENT):

No checks written.

Bob says it's time to pay dues (\$15.00) and he is ready to receive them.

Club Checking Account Balance (as of January 1, 2020): \$9,352.57

Don Haack asked for and received a motion to approve the Treasurer's report. Motion was quickly seconded and carried.

WEBMASTER'S REPORT (PAUL BOEHM):

The website is not currently up to date as two of Paul's information sources (N.W. Car Events Calendar for 2020 aka "yellow book") and the CruZin' Magazine N.W. Calendar for 2020 have not yet been received. Paul says he may take down all of the car show related information from the website until it can be updated.

Paul explained that the owners of CruZin' Magazine decided to retire and have sold the business. The Seattle buyers are working on a February issue and hope to keep the magazine going in the same tradition that readers are accustomed to. The previous owners recently purchased a 1952 Airstream trailer which they plan to tow with a classic vehicle and enjoy some camping.

As far as Paul knows, Larry (owner of Shade Tree Customs here in Moses Lake) is still planning to take on the annual car show. He has a few guys who have offered to help, along with some of our club members. It's important that our club supports this effort by attending the show and, for those who feel led, to help where needed.

On a personal note, Paul patted his tummy and joked that he will be getting his "6-pack" back on January 22 when the doctors sew him up and put him back together. Two to three weeks later, he will be flying to North Carolina to pick up his "new" 2000 Airstream 355 motorhome with only 4,000 miles on it.

Paul ended his report saying he will get the website up to date. (Amy Hendrickson suggested, to make the task easier, putting the word "pending" next to upcoming car shows instead of taking all of the information down.)

There were no guests.

Welcome to new member Doug Gambriel! He currently owns a 1988 Mercedes-Benz 130 E which belonged to his father. It's a car that he "couldn't let go". During his military service time, he had a Studebaker Golden Hawk which kept breaking down. He has also owned a '64 GTO and a brand new Datsun 260Z.

Happy Birthday to Bernie Yada who turns 80 this month!

NEW BUSINESS:

Event Chairman Tim Jones will be putting together some fun events for the club later in the year. A tour of the wind farm in Ellensburg as well as a drive to Ritzville might be in the works!

Ann Edwards suggested the Ritzville Gumball Rally as a possible club activity. A few members commented that last year's rally was overly-long at 300 miles. (Kudos to Annie who, in spite of suffering a fall at the restaurant which injured her face and broke her glasses in two last year, finished the rally with Gordy and is ready to go again!)

Gordy Edwards mentioned the Studebaker International Meet in Spokane will take place on the same day (May 16) as the Harrington car show.

President Don reminded Car of the Month winners to please submit their picture and story to Paul as soon as possible because the Newsletter contains time-sensitive information that needs to go out to the members in a timely manner.

DUCK REPORT:

The Duck will remain with the Crooks as no one has reported any recent mishaps with their classic vehicles.

The Hendricksons gave a very encouraging report on Darin's progress. It has been 30 days since he was released from the hospital. Darin is "recovering well" following a complicated 12-hour surgery to remove a baseball sized mass. Amy says Darin's upcoming chemotherapy

is precautionary as the initial preview indicates the doctors were able to get all of the cancer. She said the doctors are optimistic and their initial Keyword/Goal for Darin has changed from "Remission" to "Cured".

Tim Jones passed around a form for club members to use to write down any ideas they might have for future cruises. The first event/tour would take place in April. Don Haack mentioned the possibility of putting together a club picnic.

A toast to Ann Edwards for the very cute and clever New Years' table decorations and treats. Those in attendance were encouraged to take the champagne glasses and treats home to enjoy! (Reminder: Nancy Boehm has the month of February.)

50/50 DRAWING: \$35.00 went to John Arnold
DOOR PRIZE: a gift certificate was won by Mary Mayo
CAR OF THE MONTH: Harvey Erickson

Following a Motion, a Second and unanimous approval, President Don Haack closed the meeting at 7:17 p.m.

Next meeting is scheduled for February 13th.

GO ZAGS!

Car Of The Month

January 2020 Car of the Month

Harvey and Gail Erickson - 1988 Itasca 24ft Class C on Chevy Chassy

Harvey & Gayle Erickson - 1988 Itasca 24ft Class C

My 33 year old classic was purchased 10 years ago from a couple that moved to north Idaho. It sits on a Chevrolet chassis and has a 350 V8. It's great for visiting family and an extra sleeping space at home.
