Car of the Month

Bill & Glenda Anderson's 1930 Model A Tudor Sedan

Glenda was lucky enough to have her name drawn for the car of the month. Glenda has never driven the car but loves riding in it and waving to the large crowds at the Spring-fest parade. The car is a 1930 Model A Ford Tudor Sedan. It's been chopped, has a Corvair front end and a 383 "smooth idle" Chev Stroker with automatic transmission.
