New Business: (Dave Robins)

Dave reminded members about the 50th anniversary and promoting it to the Moses Lake community as well as surrounding areas. Dave was also asking for ideas from club members as well. Notify Dennis Jackson or Larrie Chmela if you have suggestions or ideas.

We would also like to pick up new sponsors as we go as well. We also need to support the other car clubs by attending their events when we can just as they do ours, like Lakesiders, etc.

Dave said that he had received an invitation from the City of Moses Lake for us to participate in the AG parade again this year. It is on December 1st from 5 – 8 p.m. Check the MLCCC website for more details as well as emails from Dave.

During our latest BOD meeting some suggested that certain individuals were contributing prizes for the raffle tickets and that we should consider purchasing from the Club account so that just one group of members was not bearing the burden. Unlike the last several general meetings, we received a lot of contributions this time. We will see how this continues to work going forward and table the Club account for now.

For the Good of the Cause: Judy Kent gave a resounding cheer for Bill Anderson about his willingness to relieve Gordie Edwards from the call list every month. We thank Gordie for his service.

Dave read a note from Daryl & Laura Robins congratulating us on raising money to present Youth Dynamics.

Events Committee Report: (Dennis Jackson/Roger Simmons)

Dennis informed the group that he will text everyone about different outings throughout the months ahead for dinners, etc. If you do not want to receive these text messages, please let Dennis know and he will remove you from the list.

Dave thanked the Nominations Committee for their efforts in the election of officers for the new year.

Judy Kent will head up the Ugly Sweater contest for December. Judy will answer any questions you might have.

Brett Boehm will head up the gift exchange for December. Brett will answer any questions.

Nancy Boehm will provide the money tree again this year for us to contribute if you wish. The club will match up to \$300.

Reminder that some members meet at Bob's Restaurant on Friday nights around 5 p.m. for fellowship and tall tales during winter months.

Car of the Month

Nov 2023 Car of the month

Dennis & Tisha Wischmeier - 1967 Ford Mustang

We found this car in Carson City, Nevada. It was for sale but needed a lot of TLC. We have enjoyed every minute fixing it but try to keep as many original parts in it, such as the 6-cylinder engine!!! The original color was a pea soup GREEN! It is now Deep Ocean BLUE! Love it.
