Welcome Guests & Returning Members:

Dave reminded all to read the website on a regular basis to see what is new or events happening with the club. Mary Mayo won a contest during the prior year by reading the website. It is our way of communicating outside of the general meetings. Dave reminded all to continue to clock their mileage to and from events and to hand in their mileage at the next general meeting on November 9th.

Secretary’s Report: Dave asked that the May 2023 minutes be read aloud since it had been a while since our last meeting. Vicki Green read, and they were approved by unanimous vote by those present. (**Note:** For members who cannot access MLCCC website Paul Boehm or Vicki Green will snail mail upon request.) Vicki is the custodian of MLCCC’s “SIGN-UP LIST” for table decorations for the general MLCCC meetings each month. Our next meeting will be November 9th and Mary Mayo has decorations for that month. The list was passed around for folks to sign up for 2024. Still need people and will distribute again at the November meeting.

New Business: (Dave Robins)

Dave asked Dennis Jackson & Larrie Chmela to form a new committee for the coming year. This committee will promote the club's 50th anniversary to the Moses Lake community as well as surrounding areas. Dave was also asking for ideas from club members as well. This is a good opportunity to make our community aware of our longevity and willingness to help our community. The club was first formed in 1974 – 2001 and was named The Horseless Carriage Club. The name was officially changed to The Classic Car Club in 2001. Harvey Erickson is the longest standing member.

The Nominations Committee accepted the list of officers for election for the new year. Dave asked if there were any nominations from the floor: none. There was a unanimous show of hands to accept the list as is. President (Dave Robins), Vice President (Charles Green), Secretary (Vicki Green) and Treasurer (Bob Kent). Dave thanked all for their willingness to serve.

For the Good of the Cause: Judy Kent gave a resounding cheer about kick 'em in the rear.

Events Committee Report: (Dennis Jackson/Roger Simmons)

Dave gave praise for a great job by Dennis & Roger on the cruising schedule for 2023. We had a great impact on the community by participating in the June 24th downtown merchant celebration, the August 25th August Nights on the Green event at the Pillar Rock Golf Club and the September 26th downtown Sip & Stroll.

Charlie Green reminded everyone about the Trunk or Treat event on October 28th from 3 p.m. to 6 p.m. at the Grant County Fairgrounds, Purple Gate. If you wish to enter your car you should arrive by 9 a.m. This is being hosted by Lakesiders Car Club. Charlie also asked for candy donations. Dennis sent reminder texts to everyone except the Crooks since they don't text.

Dennis informed the group that he will text everyone about different outings throughout the months ahead for dinners, etc. if anyone wants to go. If you do not want to receive these text messages, please let Dennis know and he will remove you from the list.

Dave reminded all about the Show & Shine Open House at Youth Dynamics on November 5th. They will explain what they do as an organization and the impact donations like ours have in our community.

Reminder that some members meet in the Big Lots parking lot on Friday nights around 5 p.m. for fellowship and tall tales.

Car of the Month

Oct 2023 Car of the month

Jim & Dianna Workman - 1970 Chevrolet Nova

Our 1970 Chevy Nova Since we didn't want to build another drag race car, and it had to be a Chevy. Diana, always wanted a 1970 Nova. We bought the car in 2015, it was arrow straight with stunning black paint. We met airbrush artist Mike LaVallee in December of 2015, the car had Blue Truefire flames painted March of 2016 with more of LaVallee's work to follow over the next 4 years. The winter of 2016 the transformation of the Nova started with a new 383 Stroker, new transmission with a 2500 RPM stall converter, new rear end and new custom interior. Almost every Winter since 2015 the car has been upgraded to where it is today. The car has earned many awards over the years for best interior, paint, flames and engine compartment. The car has been to car shows throughout the PNW and Reno for Hot August Nights.
