Car of the Month

Bob & Joan Duffin's 1972 Ford Gran Torino

Joan and I have enjoyed driving and showing our 1972 Ford Gran Torino. The car was bought new by my Father in 1972 at Southgate Ford in Burien.

It was gold with a brown vinyl roof.

After his passing in 1987 I kept the car garaged and serviced.

In 2005 I found a Sports Hood (an option in 1972) and so started the customization.

Stripped to bare metal and taken completely apart it was then painted 2005 Mustang "Legend Lime Metallic".

Engine built by Honest Performance, Headman headers with 3 inch Flow-master exhaust.
