

Car of the Month

Cheryl & Mark Simmons 1968 Chevrolet Camaro SS

This 1968 Camaro SS was bought for Cheryl in 1976. She wrecked it in 1979 and it only took Mark 15 years to get it back on the road. He works kinda slow!

Web Master – Precision Engine Machine will give a tour if we want to go out some Sunday. Website has been updated.

Old Business – None.

New Business – Bob D. and Bill Anderson have selected the trophies for our car show. There is a call in to the Mayo's to see if they are going to do the poker run again this year. (Since our meeting, they have agreed to do it.) Tom at the Dairy Queen is wanting us back for the poker run.

Harley advised that there is a request from an Assembly of God church member to have our cars come on Father's Day, June 16 around noon. They say it would be a short show and that they could serve root beer floats. After some discussion, it appears there is not enough interest (other commitments).

Joe Johnson (Car Show Report) – We had a car show committee meeting on Tue., March 12. The poster for the car show has been designed for us. We're a little behind, but everything is coming together. Everyone wants to wear their Hawaiian shirts again this year at the show. We need volunteers again this year, especially for registration. We will be doing the \$10.00 club member trophies again this year – see LaDell if you wish to purchase one of those. You can present your trophy to your winner at the show. The next car show committee meeting will be Tue., April 9, at 6:00PM downstairs at the library.

50/50 - \$34.00 to Bob D.
