October 2011 Car of the Month

Bob & Joan Duffin's 1972 Ford Gran Torino

It was bought new by my Father in Burien, Washington in 1972. It was originally gold with a brown vinyl roof. I changed the hood to the sport model that was available in '72. The body and paint were done locally by Kenny Douglass at "Mild to Wild". The colors are 2005 "Mustang Legend Lime Metallic" and Mustang "Performance White". The engine was built by Honest Performance in Federal Way with all the goodies in it. It has Flowmaster exhaust with 3-inch pipe. Joan and I have had great fun with it.
