## May Car of the Month

### **Gordon Radom – 1979 Lincoln Mark V**

This is my first classic car! 1979 Lincoln Continental Mark V.  
I came to the point in life that I needed an oldie before I croaked!  
I had been looking for a T-bird but this Lincoln filled the gap.  
I spent a lot of money and time, fixing her up.  
Now that I have the T-bird I'm ready to sell the Lincoln.
